

## VOLUNTEERS REQUIRED TO HELP WITH LOCAL LIST

In 2018, the Trust hopes to embark upon an exercise to identify heritage assets within the city boundaries which merit inclusion on a local list. Several other historic cities and towns have already been through the process and we shall have the benefit of their advice and help from them and also from Civic Voice.

We shall need volunteers to identify, assess, document and photograph possible entries before judging whether they meet the selection criteria. Candidates for inclusion might be buildings, streetscapes and open spaces, or objects such as memorials which have local value and/or are cherished by their communities, but have no formal protection at present.

There will also be opportunities for people who could assist with database management, recording, archiving, training and managing volunteers and liaising with the City Council and community groups.

If you are interested, or know someone who might be, we would love to hear from you either by returning this form this evening or contacting Tessa Robertson at [secretary@cityofwinchestertrust.co.uk](mailto:secretary@cityofwinchestertrust.co.uk), or telephone number 01962 851664.
